1. You must telephone the contact (Deputy Dive Manager) between 6pm-8pm day before to reserve.

Please do not try to book with someone else or days before - the final buddy list is compiled the night before and you may well be forgotten about.

2. Do not worry about weather, alternative sites will be arranged if possible and you will be contacted, if in doubt give the Deputy DM another call.

3. "Ready at" means ready to assist with launch and set out to sea. You are advised to arrive at the launch site half an hour before this time.

4. Tuesday / Thursday diving is available (depending on availability of Dive Leaders and experience) Tel: D.O on 01437 763618.

5. Please assist boat towers to ready the boats for launch and to prepare the boats for the road after the dive.
